### “ I am praying for them...” John 17:9

Prayer is the foundation of our faith and the foundation of stewardship. Prayer is always the first best option in any situation - not just our last resort. Pray for friends and family, and especially for those that don't treat you very well. Pray to give praise, to thank, and to ask God for help. Pray to see what God wants you to do with the gifts He has given you. Teach others how to pray. It has been said that teaching someone how to pray is the best gift you can give someone.

## PICK OF THE Week: The Ascension

The time has come for Jesus to take his place at the right hand of the Father and to reign in the Heavenly Kingdom that will have no end. Our Lord does this on our behalf, to intercede for us and prepare a place for us.
