

Confirmation 2026-27 Holy Name of Mary Parish

If your child is baptized and will be 11 years of age before December 31st, 2026, he/she may prepare for the sacrament of Confirmation.

"Receive the Holy Spirit." — John 20:22

Dear Families of Holy Name of Mary Parish,

It is with great joy that I invite your family to begin the sacred preparation for the Sacrament of Confirmation. This is a profound milestone for our young people to deepen their relationship with God and truly own their Catholic faith.

Please take note of our two core expectations for this journey:

Weekly Mass Attendance: Because the heart of this preparation is a weekly encounter with Jesus Christ, it is our firm expectation that all candidates—along with at least one adult family member—attend Saturday evening or Sunday Mass at Holy Name of Mary Parish every weekend. Meeting Jesus in the Eucharist gives our youth the grace and strength they need to live as true disciples. For serious reasons and with permission, attendance at a weekday Mass is an acceptable substitute.

Full Participation: Candidates and at least one parent or adult guardian must participate in every component of the preparation timeline.

As you consider enrolling your child in our Confirmation preparation process, please know how excited we are to walk this beautiful journey of faith alongside you. This sacred time is a wonderful opportunity for your family to grow closer to Christ and to deepen your roots in our parish community. I truly look forward to meeting you all, sharing in your child's faith journey, and praying together with you at Holy Mass!

In Christ,

Father Connor O'Hara

Pastor, Holy Name of Mary Parish

Information Seminar

Please join us for a requisite Information Seminar, for parent and child to discuss all aspects of the preparation process, calendar, and requirements.

Date: Sunday, September 20, 2026

Time: 1:00 pm

Location: Holy Name of Mary Parish

For important dates and more information, please visit the HNOM church website at

hnomalmonte.ca

*This process is intended for children 11 to 15 years of age.
