“Come to me, all you who labor and are burdened, and I will give you rest.” Matthew 11:28

In the Gospel, Christ gives thanks to the Father for those who are humble for it was to them that the Father was revealing the Kingdom of God to. Humility is an important virtue to foster especially in the work of stewardship, for with humility we can see how much God is generous to us and how much we need Him. With humility, we can ask the Lord to help us carry our burdens, and He will make them light.

PICK OF THE Week: The Divine Plan

How does a plot that involves the assassination attempts of President Reagan and Pope John Paul II, KGB scheming, and CIA intrigue become the final act to topple the Soviet Empire? The Divine Plan dives deep into the pivotal bond between Pope John Paul II and President Ronald Reagan. Just six weeks apart in the spring of 1981, the pope and the president took bullets from would-be assassins. Surviving strikingly similar near-death experiences, they confided to each other a shared conviction: that God had spared their lives for the purpose of defeating communism. The Divine Plan draws on the film’s exclusive interviews with renowned historians, scholars, journalists, and church officials including well-known historians.
