"We know that all things work for good for those who love God, who are called according to his purpose." - ROMANS 8:28

Do you really trust God? Do you really believe that God will provide all that you need?

Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, in good times and in bad, means that God's plan for our lives may be quite different than what we planned. When one door closes, another one opens. Trust in God, His plan is always better.

PICK OF THE Week: The Fantasy Makers: Tolkien, Lewis, and MacDonald

J.R.R. Tolkien, C.S. Lewis, and George MacDonald were the pioneers of the fantasy genre and their impact is unmistakable. Their works—exploring Middle-earth, Narnia, and other tales of redemption, sacrifice, and the battle of good and evil—have become best-selling books and blockbuster movies. Contemporary fantasy writers such as J.K. Rowling grew up inspired by their works. All three were deeply committed Christians, and their spiritual convictions permeate their writing. They engaged and challenged from the pulpit of imagination, speaking truth through fantasy.
